

PRIVACY POLICY - BLINK

Welcome to BLINK's Privacy Policy. Thank you for taking the time to read it.

We appreciate that you trust us with your information and we intend to always keep that trust.

This starts with making sure you understand the information we collect, why we collect it, how it is used and your choices regarding your information. This Policy describes our privacy practices in plain language, keeping legal and technical jargon to a minimum.

This Privacy Policy applies beginning 31-08-2022.

EFFECTIVE DATE: 30-08-2022

HUNT RED APPS built the BLINK app as an Ad Supported app. This SERVICE is provided by HUNT RED APPS at no cost and is intended for use as is.

This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my Service.

If you choose to use my Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that I collect is used for providing and improving the Service. I will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which are accessible at BLINK unless otherwise defined in this Privacy Policy.

Information Collection and Use

For a better experience, while using our Service, I may require you to provide us with certain personally identifiable information. The information that I request will be retained on your device and is not collected by me in any way.

The app does use third-party services that may collect information used to identify you.

Log Data

I want to inform you that whenever you use my Service, in a case of an error in the app I collect data and information (through third-party

products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing my Service, the time and date of your use of the Service, and other statistics.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This Service does not use these "cookies" explicitly. However, the app may use third-party code and libraries that use "cookies" to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Service Providers

I may employ third-party companies and individuals due to the following reasons:

To facilitate our Service;

To provide the Service on our behalf;

To perform Service-related services; or

To assist us in analyzing how our Service is used.

I want to inform users of this Service that these third parties have access to their Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

I value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by me. Therefore, I strongly advise you to review the Privacy Policy of these websites. I have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

These Services do not address anyone under the age of 13. I do not knowingly collect personally identifiable information from children under 13 years of age. In the case I discover that a child under 13 has provided me with personal information, I immediately delete this from our servers. If you are a parent or guardian and you are aware that your

child has provided us with personal information, please contact me so that I will be able to do the necessary actions.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page.

This policy is effective as of 2022-08-30

1. WHERE THIS PRIVACY POLICY APPLIES :

This Privacy Policy applies to websites, apps, events and other services operated by BLINK. For simplicity, we refer to all of these as our "services" in this Privacy Policy. To make it extra clear, we've added links to this Privacy Policy on all applicable services. Some services may require their own unique privacy policy. If a particular service has its own privacy policy, then that policy -- not this Privacy Policy -- applies.

2. INFORMATION WE COLLECT :

It goes without saying, we can't help you develop meaningful connections without some information about you, such as basic profile details and the types of people you'd like to meet. We also collect information generated as you use our services, for example access logs, as well as information from third parties, like when you access our services through a social media account. If you want additional info, we go into more detail below.

Information you give us

You choose to give us certain information when using our services. This includes:

When you create an account, you provide us with at least your login credentials, as well as some basic details necessary for the service to work, such as your gender and date of birth.

When you complete your profile, you can share with us additional information, such as details on your personality, lifestyle, interests and other details about you, as well as content such as photos and videos. To add certain content, like pictures or videos, you may allow us to access your camera or photo album. Some of the information you choose to provide us may be considered "special" or "sensitive" in certain jurisdictions, for example your racial or ethnic origins, sexual orientation and religious beliefs. By choosing to provide this information, you consent to our processing of that information.

When you participate in surveys or focus groups, you give us your insights into our products and services, responses to our questions and testimonials.

When you choose to participate in our promotions, events or contests, we collect the information that you use to register or enter.

If you contact our customer care team, we collect the information you give us during the interaction. Sometimes, we monitor or record these interactions for training purposes and to ensure a high quality of service.

If you ask us to communicate with or otherwise process information of other people (for example, if you ask us to send an email on your behalf to one of your friends), we collect the information about others that you give us in order to complete your request. Of course, we also process your chats with other users as well as the content you publish, as part of the operation of the services.

Information we receive from others :

In addition to the information you provide us directly, we receive information about you from others, including:

Information collected when you use our services :

When you use our services, we collect information about which features you've used, how you've used them and the devices you use to access our services. See below for more details:

Usage Information :

We collect information about your activity on our services, for instance how you use them (e.g., date and time you logged in, features you've been using, searches, clicks and pages which have been shown to you, referring webpage address, advertising that you click on) and how you interact with other users (e.g., users you connect and interact with, time and date of your exchanges, number of messages you send and receive).

Device information :

We collect information from and about the device(s) you use to access our services, including:

hardware and software information such as IP address, device ID and type, device-specific and apps settings and characteristics, app crashes, version and language, operating system, time zones, identifiers associated with cookies or other technologies that may uniquely identify your device

information on your wireless and mobile network connection, like your service provider and signal strength;

information on device sensors such as accelerometers, gyroscopes and compasses.

Other information with your consent :

If you give us permission, we can collect your precise geolocation (latitude and longitude) through various means, depending on the service and device you're using, including GPS, Wi-Fi connections. The collection of your geolocation may occur in the background even when you aren't using the services if the permission you gave us expressly permits such

collection. If you decline permission for us to collect your geolocation, we will not collect it.

Similarly, if you consent, we may collect your photos and videos (for instance, if you want to publish a photo).

3. HOW WE PROTECT YOUR INFORMATION :

We work hard to protect you from unauthorized access to or alteration, disclosure or destruction of your personal information. As with all technology companies, although we take steps to secure your information, we do not promise, and you should not expect, that your personal information will always remain secure.

We regularly monitor our systems for possible vulnerabilities and attacks and regularly review our information collection, storage and processing practices to update our physical, technical and organizational security measures.

4. PRIVACY POLICY CHANGES :

Because we're always looking for new and innovative ways to help you build meaningful connections, this policy may change over time.

We will notify you before any material changes take effect so that you have time to review the changes.

5. CHILDREN'S PRIVACY :

Our services are restricted to users who are 18 years of age or older.

We do not permit users under the age of 18 on our platform and we do not knowingly collect personal information from anyone under the age of 18. If you suspect that a user is under the age of 18, please use the reporting mechanism available through the service.
